Subject: Re: Dimock - Updated Tables for Sampling Plan

Den and Rich, I asked Suddha to send us the revised tables for the SAP. For various reasons they have changed to reflect lab changes.
I thought you want to forward them to recipients of the SAP. There will be two more changes before Monday.

Subject: Dimock - Updated Tables for Sampling Plan

As requested, please find the attached updated tables from the Dimock Sampling Plan. Please note that there are changes still expected to be made to reflect which lab will be performing two of the analyses.
Thanks,
